and NSD File No. L-00-72.

Dear FCC:

I understand rates must be raised at times but to raise it 10 times is outrages!  
It makes me wonder who is looking out for who. Look long term not short term as  
to what your doing. Greed is a horrible thing!

Thank you for your prompt attention to this matter. Please provide a written  
response indicating the status/resolution of this matter.

Very truly yours,
